Transportation Curriculum Coordination Council

TCCC

What has happened in 2006/2007?

By: FHWA Resource Center
Why was the TCCC formed?

- Changes to 23 CFR 637
- States began to independently develop a training/qualification program
What is the mission of TCCC?

- Provide leadership at the national level.
- Develop and maintain national curriculum.
- Identify training and certification programs.
- Coordinate/facilitate training efforts, both development as well as delivery.
- Last TCCC meeting – Portland Maine.
Sebago Brewing
Pooled Fund Update

• Pooled fund project TPF-5(406) was approved for use in December 2001.

• Commitment? – we’re half way to unanimity of States.
What are the planned uses of the “pooled fund”?

- Develop curriculum & core training materials
- National Database of Training

Business Plan will govern how funds are used
Materials Courses
Construction Courses
Maintenance Courses
Safety Courses
Employee Development
Where do I find more information about TCCC?
